Dear Colleagues,

Heartiest greeting and a very Happy New Year to you all!

It is with great pleasure that the Department of Anatomy, All India Institute of Medical Sciences, Guwahati, invites you to the 6th Annual Conference of the Anatomical Society of Assam – 6th ANSACON 2024, to be hosted at our institute, on the 5th and 6th April, 2024 preceded by Pre-conference workshops on the 4th April 2024.

The theme of the conference is “Evolving Trends in Anatomy”

AIIMS Guwahati, an autonomous Institute of National Importance under the Ministry of Health & Family Welfare, Government of India. The Institute intends to develop model patterns of teaching in undergraduate and postgraduate medical education in all its branches. As you all are aware, Assam is the land of scenic beauty and divine nature. The fragrance of Assam tea, mysterious hills, wild forest and the sparkling Brahmaputra River flowing through the heart of Guwahati, with its majestic charm, contribute immensely to the attractiveness of the state, which is full of culture, traditions, and diversity. Assamese people are known for their hospitality. We at AIIMS Guwahati, although a conglomerate of family members hailing from all over the country, try to disseminate the same Assamese fervor and warmth. We feel that

“Coming together is a beginning; keeping together is progress; working together is success.”

We, the AIIMS Guwahati Anatomy Family, cordially invite you all, once again, to be a part of this academic extravaganza of the 6th ANSACON 2024. Your presence will enhance the beauty of this much awaited event and make our efforts fruitful. Hope you all will enjoy, learn, and carry home beautiful and endearing memories to be cherished for long.
