WELCOME MESSAGE

Dear Participants and Guests,

On behalf of Department of Orthopaedics, we extend our warm welcome to Basic Knee Arthroplasty course and hands on workshop being held on 26th October 2024 at All India Institute of Medical Sciences, Guwahati.

The course has been meticulously designed to converge trailblazing ideas and transformative insights into knee arthroplasty. The scientific schedule covers a range of topics such as pre operative planning and assessment, infected TKR diagnosis and management and post operative rehabilitation.

The hands on workshop with saw bone will ensure the comprehensive practical experience and will enhance the participants' skills through practical demonstrations.

Once again, we welcome you to Basic Knee Arthroplasty course and hands on workshop 2024 to reshape the future of knee arthroplasty with improved professional expertise and quality of treatment for the patients.

Warm Regards,

Dr Sharan Mallya P
